* Списъците са актуални и се обновяват при всяка промяна в тях. Промяна в списъците не изменя вече сключените договори – гарантирани за потребителите са каналите, посочени в техните договори, както и тези включени в допълнителните пакети.

Негарантираните канали са достъпни временно, до прекратяване на правата за тяхното разпространение. Общият брой канали, които са достъпни за потребителите, представлява сбор от гарантираните и негарантираните канали.
